## PRINCIPALS SECTION

Dear Burton Community,

Hopefully by now you've heard that we've moved back into our brand new Science wing and Art space! We have 6 newly remodeled Science classrooms and labs, along with a Fitness Lab for Physical Education and a newly redesigned Art space.

Additionally, we were able to purchase new furniture for all of the spaces. Thanks to the entire Burton community for being patient and helpful through this process!

Principal Sam Bass

## DID YOU KNOW?

### Quiet Time @ Burton

The Quiet time program is a meditation-based stress reduction and wellness program. Burton has seen increased school-wide GPA increased attendance, decreased suspensions and school violence and so much more since starting the Quiet time program. .

**Interested in learning meditation through The Quiet Time Program?**

**Contact : Laura Osborne  
Burton High School Site Director  
losborne@cwae.org**

### PTSA Needs Leaders

Participation on the PTSA Leadership Team gives you direct access to Burton administration and staff, and enables you to have a voice in decisions about our school. The PTSA supports Burton's students and helps foster family involvement at the school. No experience is necessary! Please contact PTSA President Sarah Watanabe (sarah.watanabe@gmail.com) for more information about serving on the PTSA Board.

## WHAT'S GOING ON?

### Zumba 4 Families

As of last week, the Beacon has hosted four free and fun-filled Zumba classes. Each week, Burton's own, Stephanie Posada, leads participants in an exciting dance routine that gets our hearts (and fists) pumping. At the end of class, every participant leaves with a free bag of fresh produce. Be sure to join us at our next class on March 2nd as we continue to focus on health and wellness in 2017. All Burton student, family and community members and staff are invited!

### PTSA News

The next PTSA General Membership meeting will be March 23rd in Room 233. We will host a Potluck Dinner from 5:30 - 6:00 and then have our meeting from 6:00 - 7:00. Come meet and socialize with Burton staff and other parents and help us plan the PTSA's contribution to Burton's Puma Preview Event. You will also receive information about resources and opportunities for Burton students and their families. All are welcome and we hope to see you there!

### ELAC

Next English Learners Advisory Committee (ELAC) meeting on 2-23-2017. We are going to have immigration law attorneys giving advise to our parents and guardians about the new changes in immigration law. We also invited Rechael Ren from Treasure Island Job Corps to present their programs for parents.
