Filtered Water in the Principal's Office

Students, the filtered water in the Principal's Office is a privilege that we feel strongly about providing to our staff and students as they need it. It is important to remember that getting water from Rm 204 is not an excuse to be late to class and the space is not for students hang out or hide out. The office will be locked during Quiet Time and you **MUST** have a pass from your teacher to get water. It is also important to be respectful to adults if we need to clear the space for a meeting or if there are too many students in the room.

Puma Prevent

Did you know that every 107 seconds, someone in America is sexually assaulted? Join Puma Prevent to educate yourself and others about issues related to sexual harassment and assault. Together we can stop sexual violence. We meet every Friday at lunch in room 235.
