

Weekly Bulletin for Students

March 14th, 2018

A message from Mr. Bass: Students, we know that there are potential walk-outs planned today for students. It is important to remember that we are required to count any absences due to walk-outs as “unexcused”. If you do choose to walk-out, be sure that you do it with integrity, that you understand fully what you are taking a stand for, and make smart, safe decisions as you do it. Student voice is powerful and our country is listening!

Did the lockdown drill and recent walk out bring up a lot of questions or emotions for you? If so, come to **Wellness** during lunch this Monday the 19th to process, be heard, and ask questions. If you have any questions, check in with Patrick in Room 219.

Also this Monday (3/19) during lunch, Burton's **Money, Power and Respect** student group will be demonstrating in the quad. The purpose of the demonstration is to raise awareness around the harmful impacts of SFUSD's current dress code. Our goal is to change the dress code so that it is supportive of all students. Come out to show your support!

Every Friday @ 3:00. YOU CAN Investigate Your Future: Want some support in thinking about what you might do in the future? Come check out Investigate Your Future, every Friday in the Beacon Computer Lab right after school to explore careers of interest to you, what the job actually entails, potential salary, education required, and forecast for job openings in the future...and more!

TODAY: Wednesday March 14 @ 1:00p

APRI will present information on Pathways for a Career In Construction. Also includes resources to other jobs and internship opportunities! Please come to the Beacon Computer Lab to hear about all these opportunities.
